

Man in the mirror - Michael Jackson

I'm gonna make a change,
 For once I'm my life
 It's gonna feel real good,
 Gonna make a difference
 Gonna make it right
 As I, turn up the collar on
 My favorite winter coat
 This wind is blowing my mind
 I see the kids in the streets,
 With not enough to eat
 Who am I to be blind?
 Pretending not to see their needs

A summer disregard, a broken bottle top
 And a one man soul
 They follow each other on the wind ya' know
 'Cause they got nowhere to go
 That's why I want you to know

**I'm starting with the man in the mirror
 I'm asking him to change his ways
 And no message could have been any clearer
 If you wanne make the world a better place
 Take a look at yourself, and make a change
 Na na na, na na na, na na, na nah**

I've been a victim of a selfish kind of love
 It's time that I realize
 There are some with no home, not a nickel to loan
 Could it be really me, pretending that they're not alone?

A willow deeply **scarred**, somebody's broken **heart**
 And a washed-out dream
Washed-out dream
 They follow the pattern of the wind ya' see
 'Cause they got no place to be
 That's why I'm **starting with me**

**I'm starting with the man in the mirror
 I'm asking him to change his ways
 And no message could have been any clearer
 If you wanne make the world a better place
 Take a look at yourself, and then make a change!**

I'm starting with the **man in the mirror (Oh yeah)**
 I'm asking him to change his ways **(Yeah change!)**
 No message could have been any clearer
If you wanne make the world a better place
Take a look at yourself, and then make a change!

You gotta get it right, while you got the time
when you close your heart
Then you close your... mind!
